COVE BOARD NEWS:

Please help keep the beach clean and discard any old or unused items. Please do your part to help keep it clean!

Thank you to all that placed their boats and jet skis on the island in the appropriate areas. Please remember that only boat and jet ski trailers are to be stored at the island over the summer months. Please remove all other items by June 1st. Please review and update your boat information by viewing the Island Boat Storage page on the Cedar Cove website.

Residents have voiced complaints about dog owners not picking up after their dogs and allowing dogs to bark continuously. Please be considerate of your neighbors.

If planning on doing any exterior changes to your house, plans must be submitted to the board for approval prior to the remodeling or construction. Please refer to the cove association by-laws if you have any questions.

Maintenance Fees/Dues are used to maintain the streets, beach and island of the Cove Association. The Board has voted to not change the annual Maintenance Fees/Dues for 2012. The annual billing for \$200 will be mailed out shortly and will have a due date of June 1, 2012. Thank you to all that have paid promptly every year!

5 Cove property owners' 2011 maintenance fees still remain unpaid. Due to non-payment, these property owners are not permitted to use the cove island or beach area.
