COVE BOARD NEWS:

Please **DRIVE SAFELY & SLOW DOWN** on the streets in our neighborhood - without sidewalks, many adults and children walk on the streets so pay attention and keep a sharp eye while driving!

Please do your part to help keep the beach clean and discard any old or unused items. Remember that beach cans are for beach trash only. Per Cove rules, any large quantities of trash from parties should be taken home with resident to be disposed of in personal trash cans.

Please be considerate of your neighbors by picking up after dogs while walking them on the streets or on the island and do not allow dogs to bark outside continuously.

Remember that only boat and jet ski trailers are to be stored on the island over the summer months. There is a small fee for trailers and boats being stored - complete and submit your information with the Island Boat Storage form on the Cedar Cove website.

If planning on doing any exterior changes to your house, plans must be submitted to the board for approval prior to the remodeling or construction. Please refer to the Cove Association by-laws if you have any questions.

The Cove Board oversees the maintenance Fees/Dues which are used to maintain the streets, beach and island of our privately-owned community. Residents are welcome to bring any issues to the attention of the Board.

Thank you to those residents who have paid their 2013 annual maintenance fee. There are only a few who have not paid at this time. Residents who do not pay dues are not permitted to use the Cove island or beach areas.

Thank you goes out to Ruth Parker for having the dune area at the end of Sunset Drive cleaned up and additional flowers planted.

***HAVE A SAFE AND
ENJOYABLE SUMMER!***
